PRE-SEASON

Naturally these lockdowns have postponed our regular and planned pre season training. The association is still planning on the season commencing in early October for all senior and junior grades. Once restrictions are eased and within guidelines, we will continue with the planned pre-season schedule. The schedule can be found on our social pages and website.

PRE-SEASON CALENDAR

OVAL RESURFACING

Burnside Rec Reserve Oval 1 (large oval). The works will effect our entire season, however in return, council have promised to provide our club a replacement oval.

Boronia Reserve in Hillside (Sugar Gum Estate) has been provided to the club as our second ground. Scheduled matches will be played there for this season. It is a slight inconvenience, but once the works are completed, we'll enjoy the \$1.8M project which includes;

- Re-leveling and drainage improved
- New wide synthetic cricket pitch to Cricket Victoria specs
- Low level cyclone fencing around boundary with access gates
- Soil mound between two ovals removed with that soil filling in the low level behind oval two, soil level lifted, grass sown and available for future training
- Future provisions made for modification and upgrade to oval 2

STRATEGIC PLANNING

BSUCC were awarded a grant by Melton Council to work alongside Leisure Networks in creating and implementing a Strategic Plan for the club.

This will be a comprehensive document that will lay down the foundations for the foreseeable future.

The plan will also outline the feasibility of laying a turf table down and the associated running costs. The committee will begin working on the Strategic Plan next month. We'll keep our members updated. More information on Leisure Network below.
