

**BURNSIDE SPRINGS
UNITED CRICKET CLUB**

UPDATE 3RD SEPT.

FROM THE PREZ

Not a lot to update you all on. Unfortunately our season has been pushed back a little further. With all things going well, we'll presume the season will commence once the 70-80% vaccination targets are met some time in October/November.

All going well, this season may resemble that of the last with a November commencement.

No direction from our cricketing governing bodies have been forwarded to clubs as yet. We'll keep everyone notified as soon as any information arises.

In the meantime, the committee is still working towards a cricket season commencing once restrictions are lifted. It's full steam ahead with uniforms ordered and many new functions planned for the season ahead.

Lastly, thank you to those that have registered already. For those that haven't as yet, we do encourage you to do so as it helps us plan the teams and submissions with the associations. We do have a Payment Plan option available. Please see below for more details.

Look out and look after each other!

Michael Dalla Rosa
BSUCC President

COVID UPDATES

Please see the latest update from Cricket Victoria:

[1st_Sept._2021_Lockdown_Extension_Update.pdf](#)

JUNIOR REGISTRATION DAY

Unfortunately we will have to postpone our Junior Registration Days due to the extension of Government Restrictions.

As soon as more information becomes available, we will reach out and provide you an update on the revised Registration Day/s, Training Schedule and any potential impacts to the commencement of the season.

PLAYER GRANTS - \$200 AVAILABLE

On the Cricket Victoria website, there is a number of grants to assist players and clubs. One, in particular, that has come up to help players is the **Active Kids Voucher Program**. For more information refer to <https://www.cricketvictoria.com.au/clubs-support/grants/>.

GROUND UPDATE

Works have commenced on the much needed resurfacing and replacement of the pitch on oval 1.

Burnside Springs would like to thank [City of Melton](#) and the local councillors [Cr Kathy Majdlik](#), [Cr Steve Abboushi - City of Melton - Cambridge Ward](#) & [Cr GORAN KESIC](#).

The much needed work will see the playing surface levelled, new wide pitch installed, installation of a low cyclone perimeter fencing, removal of the mound between the two ovals, and provisions for redevelopment of Oval 2.

Council have provided a replacement oval and the current works will not effect our season.

With the latest extension on restriction, now more than ever is the time to reach out! Remember to ask the question. Not everyone is walking through these challenging times in the same way. It's ok to not be ok and it's ok reach out to your friends. There is more help available on the RU OK website (button below)
